

Centroid Moment Tensor Solution

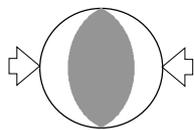

$M_w=7.1$

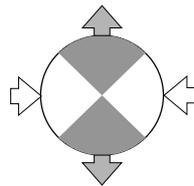

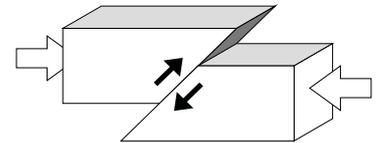

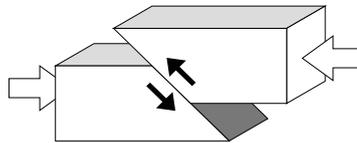

Centroid Location
 Lat N38d15m
 Lon E142d01m
 Depth 60km

Lower Hemisphere
 P : Pressure Axis
 T : Tension Axis

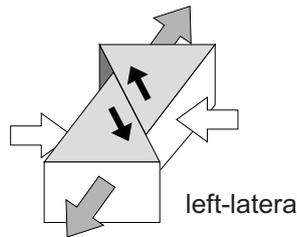

About Centroid Moment Tensor

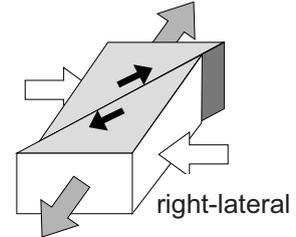

Reverse Fault Type

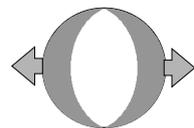

Strike-Slip Fault Type

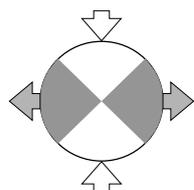

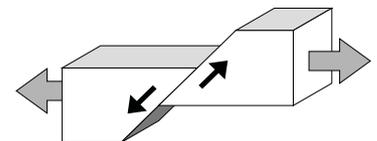

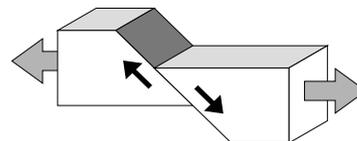

left-lateral

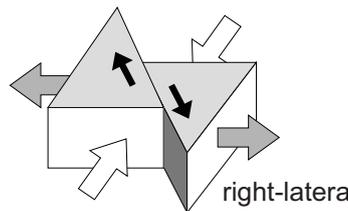

right-lateral

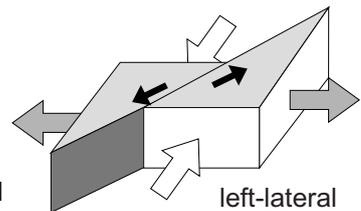

Normal Fault Type

Strike-Slip Fault Type

right-lateral

left-lateral

Pressure

Tension

Fault Motion
