

PROGRAM

International Training Seminar on Typhoon Monitoring and Forecasting in the Western North Pacific

12 February

Opening

Welcome address

Introduction to JMA services

Activities of RSMC Tokyo - Typhoon Center

Technical tour in JMA HQ Building

Mr. Nobutaka MANNOJI

Head, National Typhoon Center,
Japan Meteorological Agency (JMA)

Mr. Hiroshi ISHIHARA

National Typhoon Center, JMA

Mr. Nobutaka MANNOJI

Head, National Typhoon Center, JMA

13 February

Country report presentation

Country report presentation

Country report presentation

Country report presentation

Mr. Rosli bin ZAKARIA

Malaysian Meteorological Service

Ms. Maria Ngemaes

National Weather Service, Palau

Mr. Surapong SARAPA

Thai Meteorological Department

Ms. NGUYEN Thi Senh

National Hydrometeorological Service, Vietnam

16 February

Typhoon Analysis

Typhoon Forecasting

Typhoon Disasters

Mr. Akio TSUCHIYA

National Typhoon Center, JMA

Mr. Hiroshi ISHIHARA

National Typhoon Center, JMA

Mr. Hiroshi ISHIHARA

National Typhoon Center, JMA

17 February

Numerical Weather Prediction (NWP)
System and NWP products

Nowcasting System in JMA

Prediction of Storm Surge in JMA

Mr. Tsukasa FUJITA

Numerical Prediction Division, JMA

Mr. Masashi KUNITSUGU

Forecast Division, JMA

Mr. Daisuke UENO

Office of Marine Prediction, JMA

18 February - 19 February

Practical Training on Typhoon Analysis and Forecasting

Mr. Akio TSUCHIYA

National Typhoon Center, JMA

Mr. Hiroshi ISHIHARA

National Typhoon Center, JMA

20 February

Typhoon Analysis and Forecast Process in JTWC (Unofficial program)

Practical Training on Typhoon Analysis and Forecasting

Joint Typhoon Warning Center, USA

Mr. Akio TSUCHIYA

National Typhoon Center, JMA

Mr. Hiroshi ISHIHARA

National Typhoon Center, JMA

23 February (Meteorological Satellite Center)
Multi-functional Transport Satellite (MTSAT)

Use of Satellite Data for Rainfall Estimation

Technical tour in MSC

Mr. Ryoji KUMABE
System Engineering Division, Meteorological
Satellite Center (MSC), JMA

Mr. Nozomu OHKAWARA
System Engineering Division, MSC, JMA

Mr. Taizo KAKIMOTO
Analysis Division, MSC, JMA

Mr. Akihiro KIKUCHI
Analysis Division, MSC, JMA

24 February - 26 February
Technical tour to Kagoshima

27 February
Discussion about typhoon monitoring,
forecasting and information dissemination

Summary and Evaluation of Seminar

Awarding Certificate

Closing
